

Award Category	*NEW* Health & Safety
Company Name	
Project Name	

How do you ensure Health & Safety practices are adhered to in your organisation? Have you introduced new initiatives to take this to the next level? Have you implemented a new technique, new/ updated processes and/ or procedures?

When recognising and rewarding Health & Safety, the judges will look at how this has been put into practice, how it has been developed and communicated and the positive effect it has had on a business' overall performance. Judges will consider:

- The presence of Health & Safety procedures
- Supporting documentation for these processes/ procedures
- How you communicate and roll this out to staff
- The impact this has on your workforce
- Solutions for implementation/ problem solving.

Outline and describe your entry fully, telling us how it meets the requirements of this category. Add supporting videos, photos, testimonials and relevant documentation to support and showcase your entry in the best possible light!

You can add it to this editable form or send it in on a word document – and **remember, you can submit more than one entry and enter more than one category.**

Deadline for submissions is 11.59pm on Friday 25 April 2025.

The judges will award scores based on the following criteria:

- **Procedures (up to 15 marks):** Is there presence of Health & Safety practices/ procedures in the organisation? Is there evidence of supporting documentation?
- **Delivery (up to 15 marks):** Is there evidence of these processes being implemented? How is this communicated to/ rolled out to staff? What are the solutions for problem solving?
